IN MEMORY OF

The 1979 Pilgrim is dedicated to the memory of Timothy Webster. Whenever we hear John Denver's famous song, "Sunshine On My Shoulders", we think back to when Tim shared these lyrics of his favorite song with us, and was always there when someone needed the helpful words of a friend. Tim enjoyed playing the guitar, riding motorcycles and just bumming around. Tim's finest quality was the fact that he could find good in everything, and seldom had a negative remark. Hopefully, all mankind will someday find the gentleness and goodness in their hearts that Tim's possessed.

FOOTBALL

Gary Gross . . . Flanker

Jorge Valle . . . Tackle

Steve Gross . . . Tail back

This year there are five great Seniors that will leave the force, but the memory of the 1978 Football season will still remain. The season started the Pilgrims off with a winning streak. Winning the first four games held high hopes for an exciting season

Cheyenne Hartzell . . . Full back

James Hartzell . . . Full back

until Steve Gross and Chey Hartzell were hurt in the next two consecutive games. Despite the fact that Steve was laid up for the rest of the season, the team fought hard and got things together in time to leave McCall in the dust, 30-6.

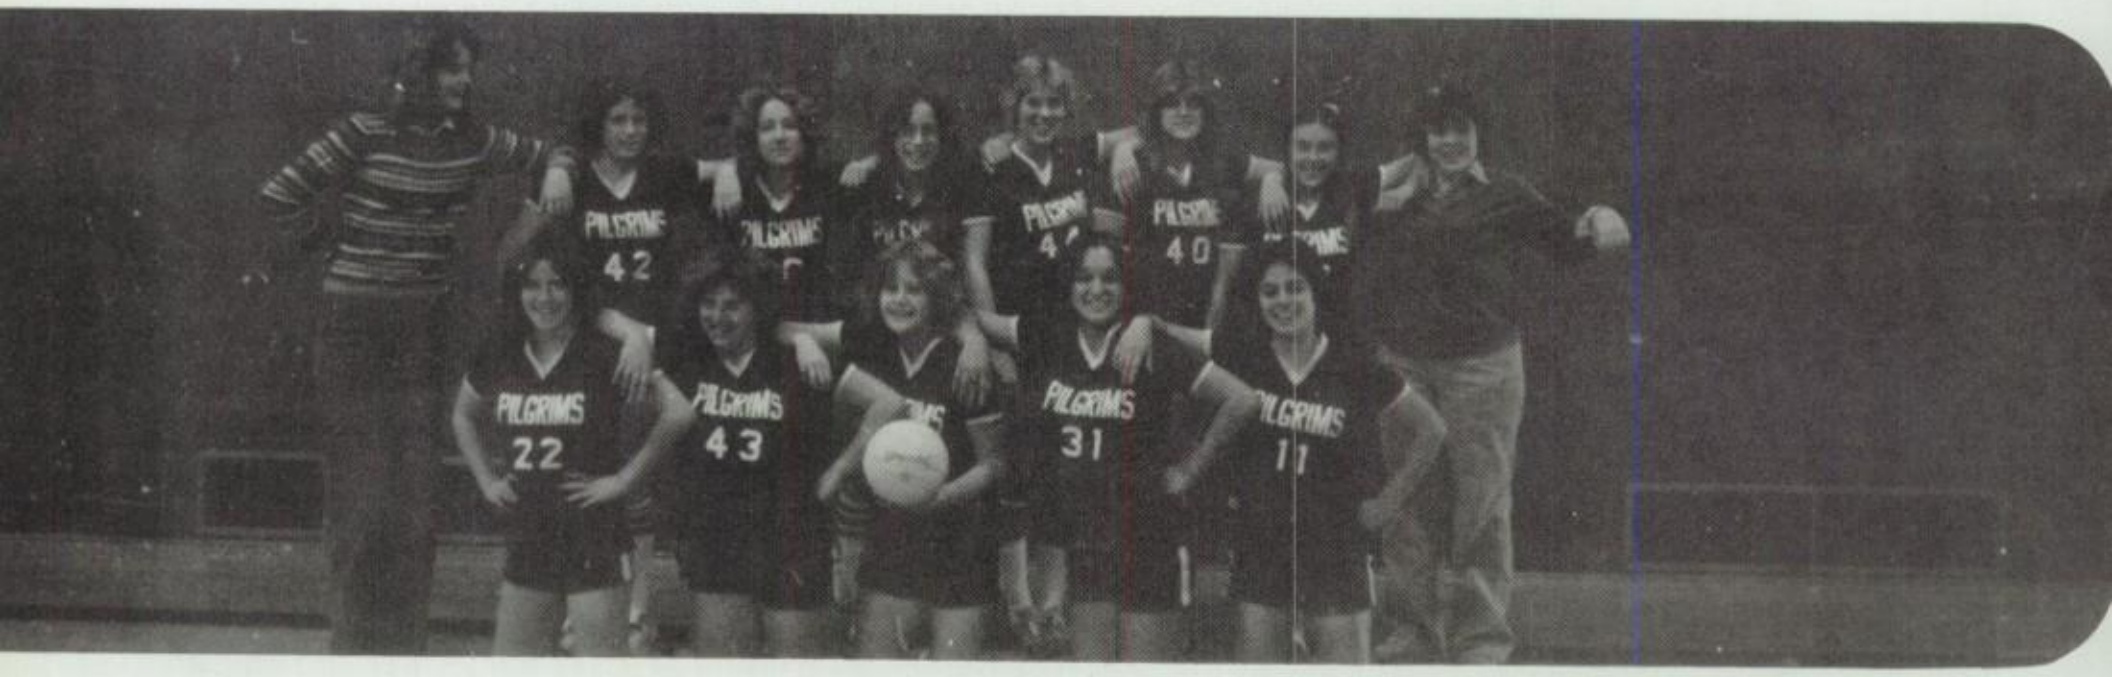
J.V. VOLLEYBALL

This year's J.V. team was surprisingly strong. For the girls, it was a season of one win after another. For beginning coach, Kathy Moore, it was a great season to begin her coaching career. The team finished off the season with twice as many wins under their belts than losses.



From left to right: (Row 1) Coach Moore, Lori Shaw, Peggy Brock, Debbie Dion, Deanna Skeen, Kitty Pritzl, Shelly LaCrone, Donna Baugh, Manager (Row 2) Cathy Cochell, Dodie Dolphus, Traci Brown, Gwen Green, Lisa VanLuevan.

Top to bottom, left to right: Anne Little; Coach Remaley; Kim Novak; Lora Winters; Connie Gross; Emi Ishino; Donna Hodsdon; Manager; Vicki Hamilton; Lori Zahm.

The Varsity team had a great year and even though they didn't come out smelling like a rose at District, they all vouch that this was their most memorable year through high school volleyball.

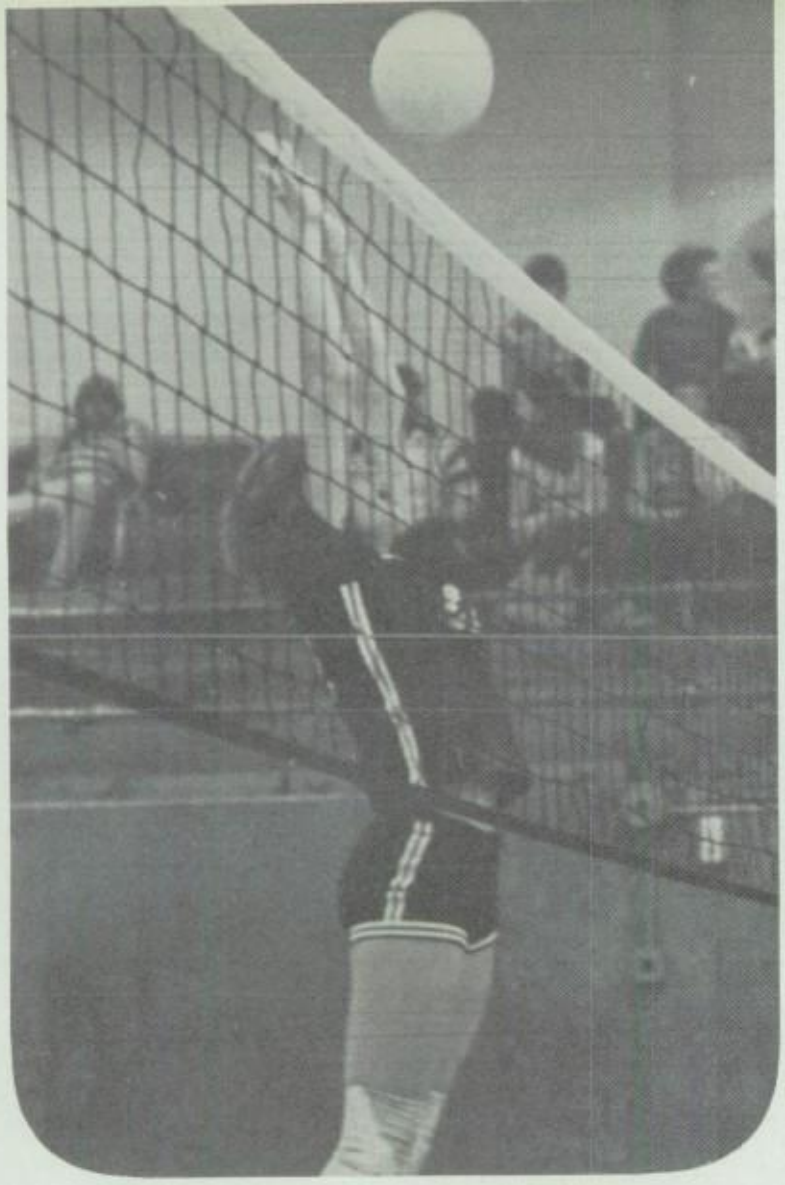
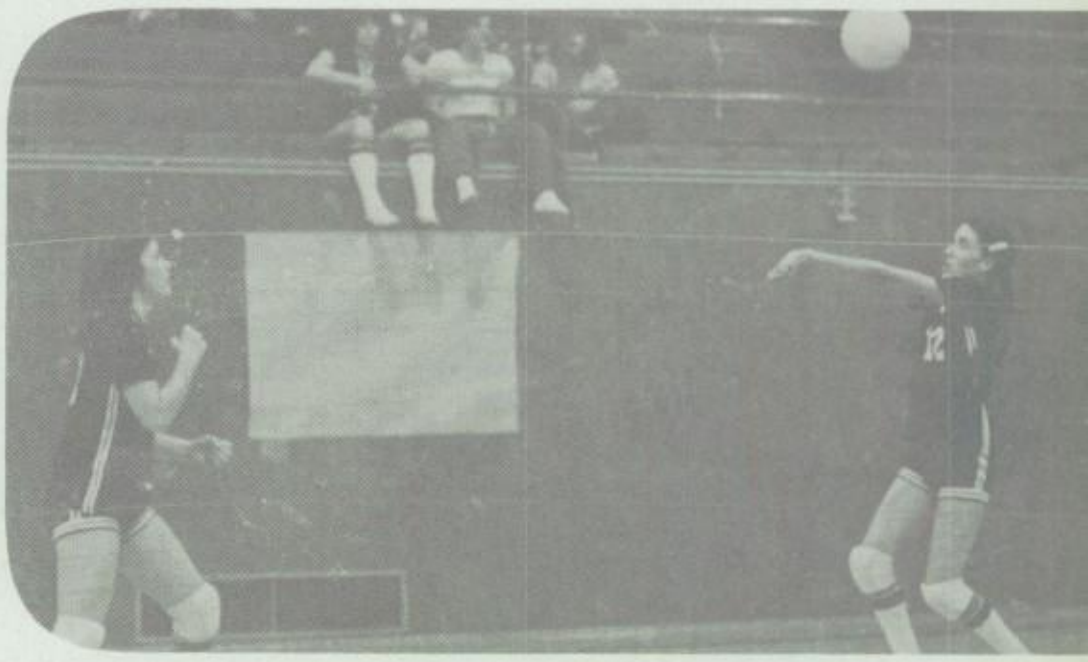
Vicki Hamilton, Captain





Lora Winters bumps the serve to Vicki Hamilton so she can set up for a spike.

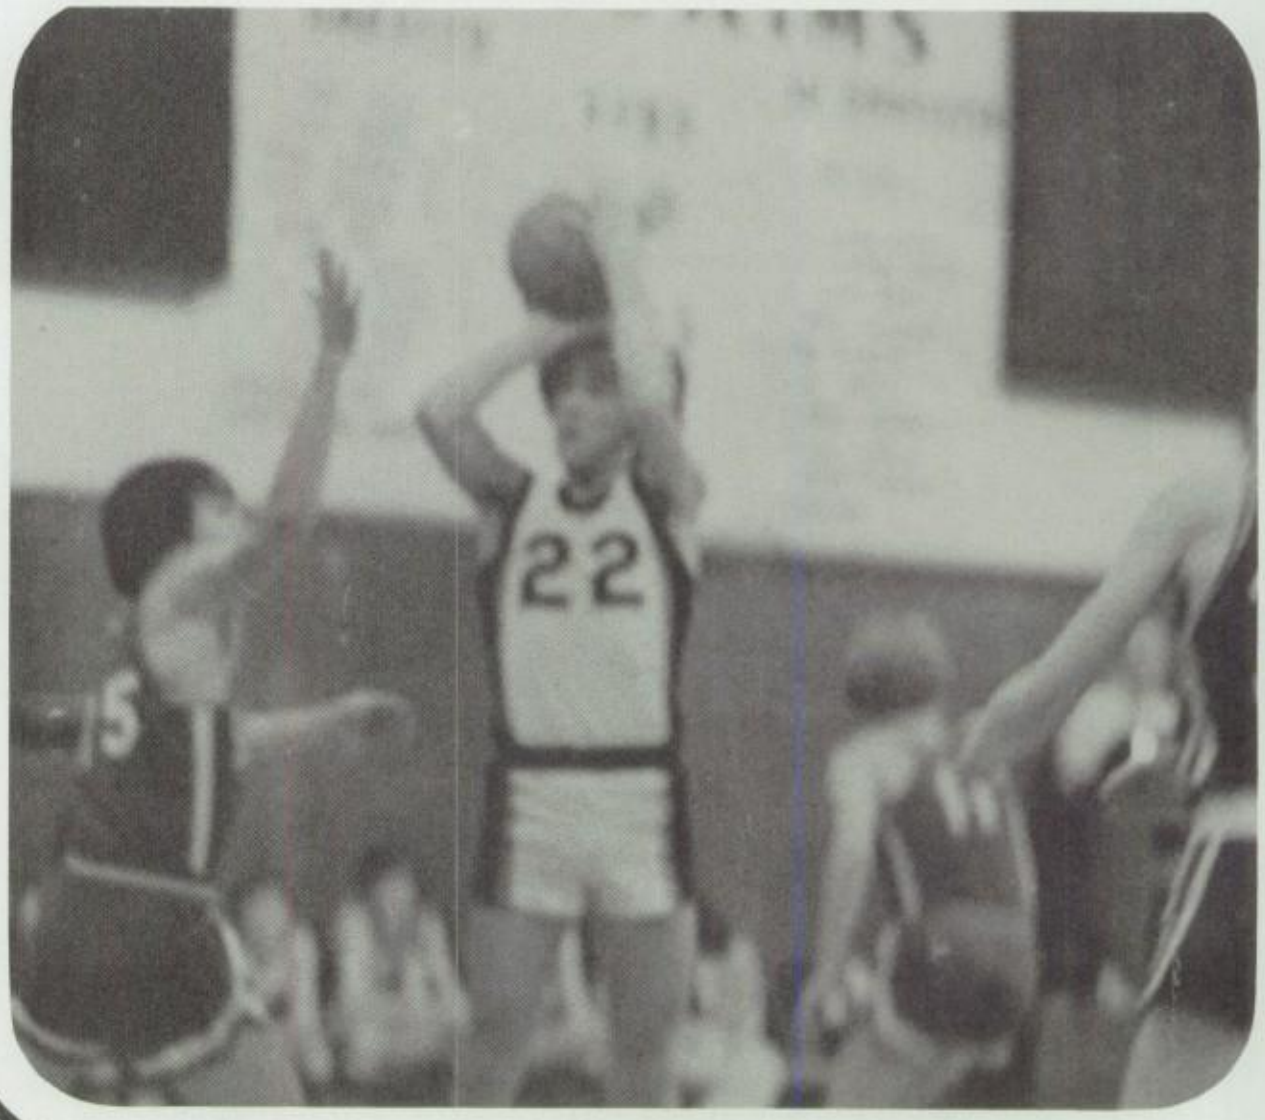
Connie Gross gives 'em another miraculous serve to fight with.

JV BASKETBALLERS '78-'79

Debbie Brumet was a very vocal supporter, as she shows here following a basket by one of the NPHS players

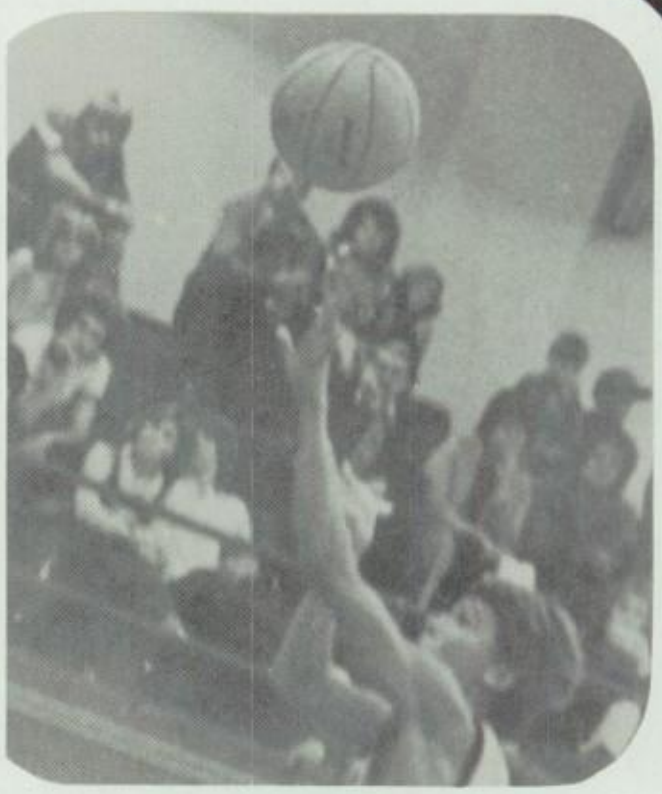
"Did I sink it?" asks one of these hard-playing JV's.

The Junior Varsity netters had a good season overall, and showed a large improvement during the time they had the court. Coach Wes Remaley worked the boys hard and was rewarded by steady improvement and good shooting. For a JV team, New Plymouth showed a slight height advantage in many games, and possessed good speed on court.



Moving so fast he blurred the picture, Joe Wadsworth sank this one from 8 yards out.

Despite closing his eyes, Blaine Gross beat this McCall player to the ball. Reason: the opponent had his eyes closed, too!!



(Left) Harold Hanson gets to make it all look so easy - (Above) Jay Jorgenson draws a lead on the hoops.

Connie Gross goes up to sink another two points for the Pilgrims.

Auto accidents, moving, quitters, and a record number of no-shows were all problems faced by this year's wrestlers. Ending their season with only 12 of 20 starters, this year's team fell short of their previous season's record 8-3-10-3 dual record.

The bright spot came with the remaining team members. Filling only 8 of the 12 weight classes, individual wrestlers were shooting for District. New Plymouth placed 6 out of 8 in District: Gary Brogan, 98 lbs.; Phil Martinez, 105 lbs.; Lee Hamilton, 112 lbs.; Guy Pearson, 126 lbs.; Dan Harrold, 145 lbs.; and Gary Barnes, 167 lbs. This is the best performance ever!

Brogan, Martinez, Pearson, and Barnes qualified for State Competition. At the end of three days, the grapplers lofted NP to 6th place out of 27 competitors. Brogan was State runner-up for the second year, Martinez took 3rd, and Pearson was a runner-up, again our best show ever!

BASEBALL

This year's baseball team had a lot of potential, but just couldn't seem to get it together. They had a season of little experience, therefore one of little scoring success. They would like to thank all who have supported their efforts this season.

BOYS TRACK

(Back Row, Left to Right) Tony Carrol, Doug Holbrook, Aaron Brock, Cheyenne Hartzell, Dan Orr. (Front Row, Left to Right) Dave Orr, Blaine Gross, Kevin Whorton, Guy Pearson, Dan Heppler, Bill Loftin.

Cheyenne Hartzell and Aaron Brock were the only Senior members of this year's team, with Cheyenne scoring admirably in the 100 and 220 yard dashes and placing at State in the shot put. Aaron's strong event was the high jump with his jumps getting him a 5th place ribbon at District.

At right, Dan Orr runs an 880 at Weiser.

This year's season was described by Coach Decker as a good year for the underclassmen who gained a lot of experience. This training will pay off next year.

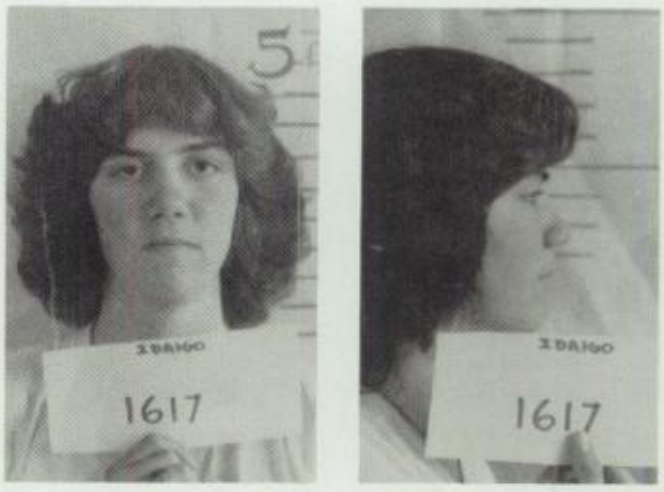
PILGRIM'S PROGRESS STAFF SERVES ONE YEAR!

The newspaper staff began the year at a disadvantage: only three students could schedule the seventh period for themselves, so the Pilgrim's Progress staff had to borrow members from the yearbook. At mid-year, the paper gained several new members to help ease the sentence. They also changed printers and began going to press once every two weeks. This enabled them to keep fresher news items in print. The updated photography equipment gave the news staff a better selection of pictures, as well.



Editor for this year, and serving an even more difficult sentence, was Robin Parsons

WEBSTER DECLARED MS. PILGRIM '79!

Each year the FHA Club sponsors a unique event at NPHS - The Ms. Pilgrim Contest. Every girls club enters a boy contestant. These lucky fellows must appear in feminine costume before an audience, and perform a ribald parody of a beauty contest.

Contestants must model three outfits and compete in a talent exhibition. The winner is chosen by a panel of judges.

(Top) Jim Ireland looks as though he knows beauty isn't everything. (Top right) Queen Clay Webster takes a stroll before the judges. (Bottom) As the moment of truth drawers closer, the contestants begin to feel the tension in the line up.

The Class of '79 Motto

Leigh Moscrip sings the theme song after receiving a singing award.

And from here on out, it's up to you
and me
To make our lives work out.
So, go your way and strive for your
goals.
And whether you reach them or
Only come near them,
Take the time now and then to look
back
On where it all began.
And hopefully, for a moment in time,
You will recollect our moments shared

MEET YOUR EDITOR

Vicki Hamilton

Working with the students and faculty of NPHS this year has given me a sense of appreciation for people. It has helped me to accept people as they are and to work with them by being a friend first.

This year was my best at NPHS and I owe that to you—the students and faculty who gave me this opportunity and who all work together so well to make NPHS the best!!

Maybe we oughta call on Salvage Sue.
